

## Kerry Class

We had a lovely morning this week in Nursery. The children's parents were able to come in for a very special Easter morning. The children and their adults had lots of activities to do from making bunny headbands to chocolate Easter nests. We were very lucky as we even had a very special visitor come and hide some eggs! The children had lots of fun and we hope the adults did too!

## Term Dates

**Easter Break**– Monday 11th April–  
Friday 22nd April

**Back to school**– Monday 25th April–  
Friday 27th May

**Bank Holiday**– Monday 2nd May

**Half Term**– Monday 30th May– Friday  
3rd June

**Term starts**– Monday 6th June–Friday  
15th July

## Clee Class

Clee class have had a super half term. Our topic this term has been Spring and Spring celebrations. The children have been learning that we are all different and that it is ok to have different beliefs. The class visited the local Mosque to learn about Islam. They have also learnt about the Christian celebration of Easter and the Easter story. Friends from the church visited the school and we took part in an Easter story hunt! Linked to our Spring topic the class went on a school trip to Ray's Farm. Here we saw baby farm animals and learnt how to care for baby animals.

## Onny Class

Onny Class have enjoyed taking their learning outside this half term in our forest school sessions.

## Croft Class

In DT this half term we have designed and made our own healthy wrap! We tasted lots of different fillings and had to choose the combinations we liked the most. We had to make sure we had picked foods from the different food groups to ensure the wrap was healthy. They were delicious!

## Woolston Class

This term we have been looking at the country China. We have been cooking and tasting Chinese food and writing instructions to make Spring rolls. We have enjoyed being outside at forest schools, playing games and learning about nature. Woolston were lucky enough to go on a P.E sports festival event at Church Stretton school and won a certificate for determination. The children thoroughly enjoyed our trip to West Midland Safari park and loved seeing the animals, especially the new exhibit the Red Panda and walking through the birds. The main event though was going to the theme park and getting Mr O'Malley on the pirate ship.

# Norton Class

In Norton class, we have been finishing off our food around the world topic and had great fun tasting lots of different food from around the world, including Sushi, Olives, and Indian sweets. In science, we also planned our own experiment where we had an egg and we had to design a container that would protect our egg when it was dropped from three metres. We only had a budget of £20 to buy our materials ( not all the eggs survived).

# Callow Class

We have been working extremely hard in Callow class ready for our end of term assessments and the year 6 SATs. It was lovely to see lots of parents in for parents evening, if you needed to book an extra parents evening for any reason, please don't hesitate to ask.

In lessons, we have been finishing off our disaster topic and the children made some informative leaflets. We have been working scientifically conducting lots of experiments. The children had a lot of fun designing a case to protect an egg from dropping.

## World Book Day and Easter Parade Celebrations
