Helping your child with maths in Key Stage 2

A FREE Family Learning course for parents and carers at Stokesay Primary School

Start date: Thursday 5th May

Time: 09.30 - 11.30

Duration: 8 weeks (term time only)

Come along and learn about:

- ✓ The current methods used in school to teach maths in Key Stage 2
- ✓ How to help support your child with maths homework
- ✓ A practical range of games and resources to support maths learning at home.

Topics include:

Addition and subtraction
Multiplication and division
Place value
Fractions
Problem solving
